

**Now What?**

What To Do With All Of This  
Data

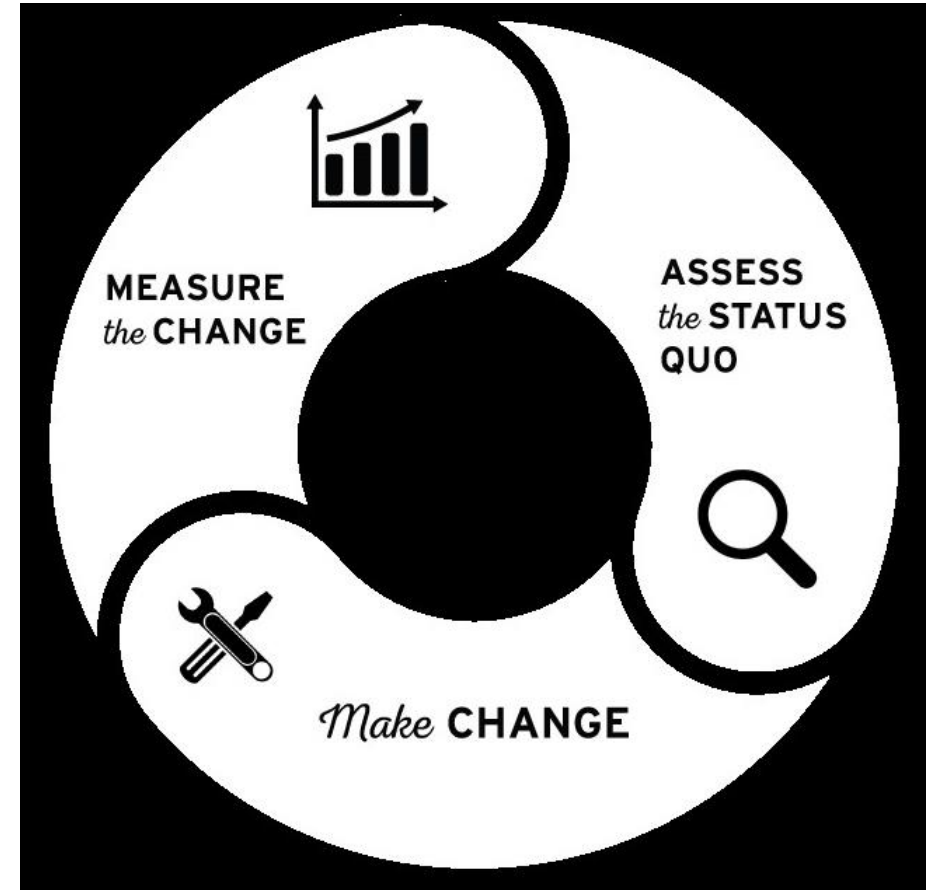

This work is supported by Grant Number 2017-TA-AX-K014 awarded by the Office on Violence Against Women, U.S. Department of Justice. The opinions, findings, conclusions, and recommendations expressed in this program are those of the trainers and do not necessarily reflect the views of the Department of Justice, Office on Violence Against Women.

# Data Collection in Action

- Form groups of 10-12
- Arrange yourselves in order of birthdate
  - Ex. Jan 1, March 15, April 2, etc...
- Next, arrange yourselves in alphabetical order by middle name
- Return to your seats

# Phases of Change Process

- **Assess Status Quo**
  - Learn about current response and experience
- **Make Change**
  - Use info to target improvements in practice, policy, and protocol
- **Measure the Change**
  - Check effectiveness/outcome

Data collection without  
follow-up action is  
meaningless

# Team Data and Types of Action

- Community Needs Assessments
  - Interagency Cross Training
  - Protocol development
- Action and Implementation Plans
  - Agency-wide policy changes
  - New processes to meet need

# Strategies for Change

- Interagency protocol development/revision
- Training to meet knowledge and practice gaps
- New individual practices
- Changes to agency policies
- Cross-training with team agencies
- Changing information sharing
- Increase collaboration efforts
- Team development
  - Mission, timelines, etc.
- Commit to victim-centered work
- Community awareness raising
- Create innovative programs
- Add critical partners to team
- Inter and intra agency trainings
- Develop subcommittee or taskforce
