

Family Justice Centers

Natalia Aguirre, National Director,
Family Justice Center Alliance

The OLD System...

Imagine being abused by the love of your life.

Imagine being hurt physically and emotionally by your mom, your dad, or your sibling.

Imagine your children taking advantage of you, stealing from you, and neglecting your basic needs.

Imagine being raped or sexually assaulted by someone you know.

*Now imagine trying to get help by navigating through the old system.
Example Shasta County*

By car: 1 hr 44 mins - **By Bike:** 4 hrs 17 mins - **Walking:** 14 hrs 30 mins -
By bus: Too difficult to navigate because of bus changes and route shortages

FJC is about Sharing Resources

Guiding Principles

- NOT replacing or NOT duplicating programs
- Taking existing resources, putting them together under one roof to eliminate the runaround
- Providing MORE access to services and MORE more coordinated services
- Location paid by Government
- Services provided by Partners
